Lithos Grey Limestone Paver

Overview

Lithos Grey Limestone Pavers are a unique and beautiful natural stone finish made from durable limestones. They can be installed in a variety of patterns on the TerraSmart Rail support system. These pavers are available in washed and etched finishes, with the 2 finishes on opposite sides, simplifying installation. The natural stone offers an enriched surface tone and brings traditional character to a modern architectural feature, the roof terrace.

- Beautiful aesthetic
- Multiple laying patterns
- Washed and Etched Finishes available
